Johanna Dürmüller-Bol DBMR Research Award 2021

The Johanna Dürmüller-Bol DBMR Research Award supports young researchers at the Medical Faculty of the University of Bern obtaining further funding from competitive third-party funds by providing funds for the development of their research project.

Johanna Dürmüller-Bol DBMR Research Award 2021

At the Opening Symposium of the DBMR on 18 March 2022, Prof. Dr. Anna Angelillo-Scherrer announced the winner of the Johanna Dürmüller-Bol Research Award 2021.

The prize went to:

Dr. med. Dr. sc. n. Joel Zindel

Project: Defining macrophage-dependent mesothelial cell recruitment in peritoneal injury repair and adhesion formation

Visceral and Transplantation Surgery, DBMR

Department of Visceral Surgery and Medicine, Inselspital

The DBMR congratulates Dr. Zindel!
